

INVITATION FOR BIDS  
VILLAGE OF GREAT NECK ESTATES- SOLID WASTE REMOVAL

NOTICE IS HEREBY GIVEN that the Board of Trustees of the Village of Great Neck Estates invites sealed proposals for the furnishing of all labor and equipment necessary for performance of a contract for collection, removal and disposal of solid waste from all residential properties in the Village, the Village Park and other Village buildings.

All such sealed proposals must be received by the Board of Trustees, at the office of the Village Clerk, 4 Atwater Plaza, Great Neck, New York, **on or before 2 p.m. on May 10, 2019**, at which time and place all bids will be opened.

Specifications and instructions to bidders are on file with the Village Clerk, and copies may be obtained from the Village Clerk during regular business hours. All bidders are required to conform to these specifications and instructions.

Bids must be submitted for each year during the contract period June 1, 2019 through May 31, 2024, and for such additional periods of time, and alternate specifications, as required by the bid form supplied by the Village. The bids for the period June 1, 2019 through May 31, 2024 should be stated as the proposed annual price for each year during such period of time, and not as a lump sum for the entire such period of time.

All proposals must be in writing on a bid form supplied by the Village, and must be submitted in a sealed envelope addressed to the Village Clerk, and marked on the outside "Solid Waste Disposal Contract Bid", and must be received no later than the time and date specified above.

Bidders must present proof of their familiarity and experience in this type of work, and failure to present such proof or evidence that the bidder has performed satisfactory work of similar type in similar communities may be cause for rejecting the bid.

No bid will be accepted from any person unless the same is accompanied by proof that the bidder holds a current permit to engage in the business of removing, collecting, transporting or disposing of offensive materials as provided in the Public Health Ordinance or other applicable laws and regulations of the County of Nassau and Town of North Hempstead.

The Village reserves the right to require the successful bidder to post a performance bond, with sufficient surety, for each year for which a contract is awarded.

The Board of Trustees reserves the right to waive informalities or to reject all bids, to determine the length of the contract to be awarded, and to accept any bid which in the opinion of the Board will be in the best interests of the Village. Subject to the foregoing, the Board will award a contract as soon as practicable thereafter, and the successful bidder will be required to execute a contract within 10 days after notice of award.
